To Whom It May Concern

This is to certify that Hrishi Harsora, who is currently a 2nd-year B.Tech. student in the Materials Engineering program at IIT Gandhinagar, worked under my supervision during the period May 15 – June 30, 2024. The topic of the work was Applications of Density Functional Theory to Material Physics, and I must say that his performance in it was beyond expectations, and truly excellent. I wish him all the success in his future endeavors.

Yours sincerely,

(Alok Shukla)
Professor (HAG)
Department of Physics
